

Chrysanthemum Show.

The ladies of the Civic Association have displayed great enthusiasm in making the town of Edgefield beautiful, and the people at large have showed a splendid spirit of co-operation. On Friday the Goldberg store was the scene of a splendid collection of chrysanthemums, dahlias and other flowers, including designs made of flowers. The flowers were beautiful and up to the expectation of the visitors.

The association sold dinners, lunches, fancy articles and candy of great variety, making clear of all expenses \$101.50.

The day was beautiful, and the show and dinners were most enthusiastically patronized.

Colored Fair at Bettis Academy.

The colored people of Edgefield county will hold their annual agricultural fair at Bettis academy November 15, 16, 17, 18 and 19. Those in charge of the enterprise are anxious to have all of the colored people of the county make exhibits of farm products and the managers very earnestly desire that as many colored people attend as possible. Agricultural fairs are always helpful, but the real benefit depends upon the number of exhibits and the number of people who attend. The managers, colored men who are rendering an unselfish service to their race, have offered attractive prizes for those who excel in farm exhibits. The dates of the fair are November 15, 16, 17, 18 and 19.

EDGEFIELD PEOPLE PRAISE SIMPLE MIXTURE.

Many praise the simple mixture of buckthorn bark, glycerine, etc., known as Adler-i-ka. This remedy is the most THOROUGH bowel cleanser ever sold being even used successfully in appendicitis. ONE SPOONFUL relieves almost ANY CASE of constipation, sour or gassy stomach. ONE MINUTE after you take it the gasses rumble and pass out. Adler-i-ka cannot grip and the INSTANT action is surprising. THE NEXT BEST THING TO THE PINE FORREST FOR COLDS IS—

Dr. Bell's Pine-Tar-Honey which goes to the very root of cold troubles. It clears the throat and gives relief from that clogged and stuff-d feeling. The pines have ever been the friend of man in driving away colds. Moreover, the pine-honey qualities are peculiarly effective in fighting children's colds. Remember that a cold broken at the start greatly removes the possibility of complications. 25c.—1
